**Comment:** The A40 is a very busy road through our village and this development will add to the problem. Having two developments opposite each other also detracts from the village. The number of houses planned seems far too many for the site.

I live almost opposite the site and instead of beautiful countryside, I will be looking at a building site for months on end and then an overdevelopment of houses. I appreciate that houses have to be built but not crowded into too small a space with no garden privacy for the occupants.
