Dear Matt

The above application has been brought to our attention as we have been dealing with an application to amend the commons register. The parish council earlier in the year put in an application to register additional pieces of land as common land. A decision was made today, the 21st November 2016 to approve the registration of these pieces of land of which one part affects this application.

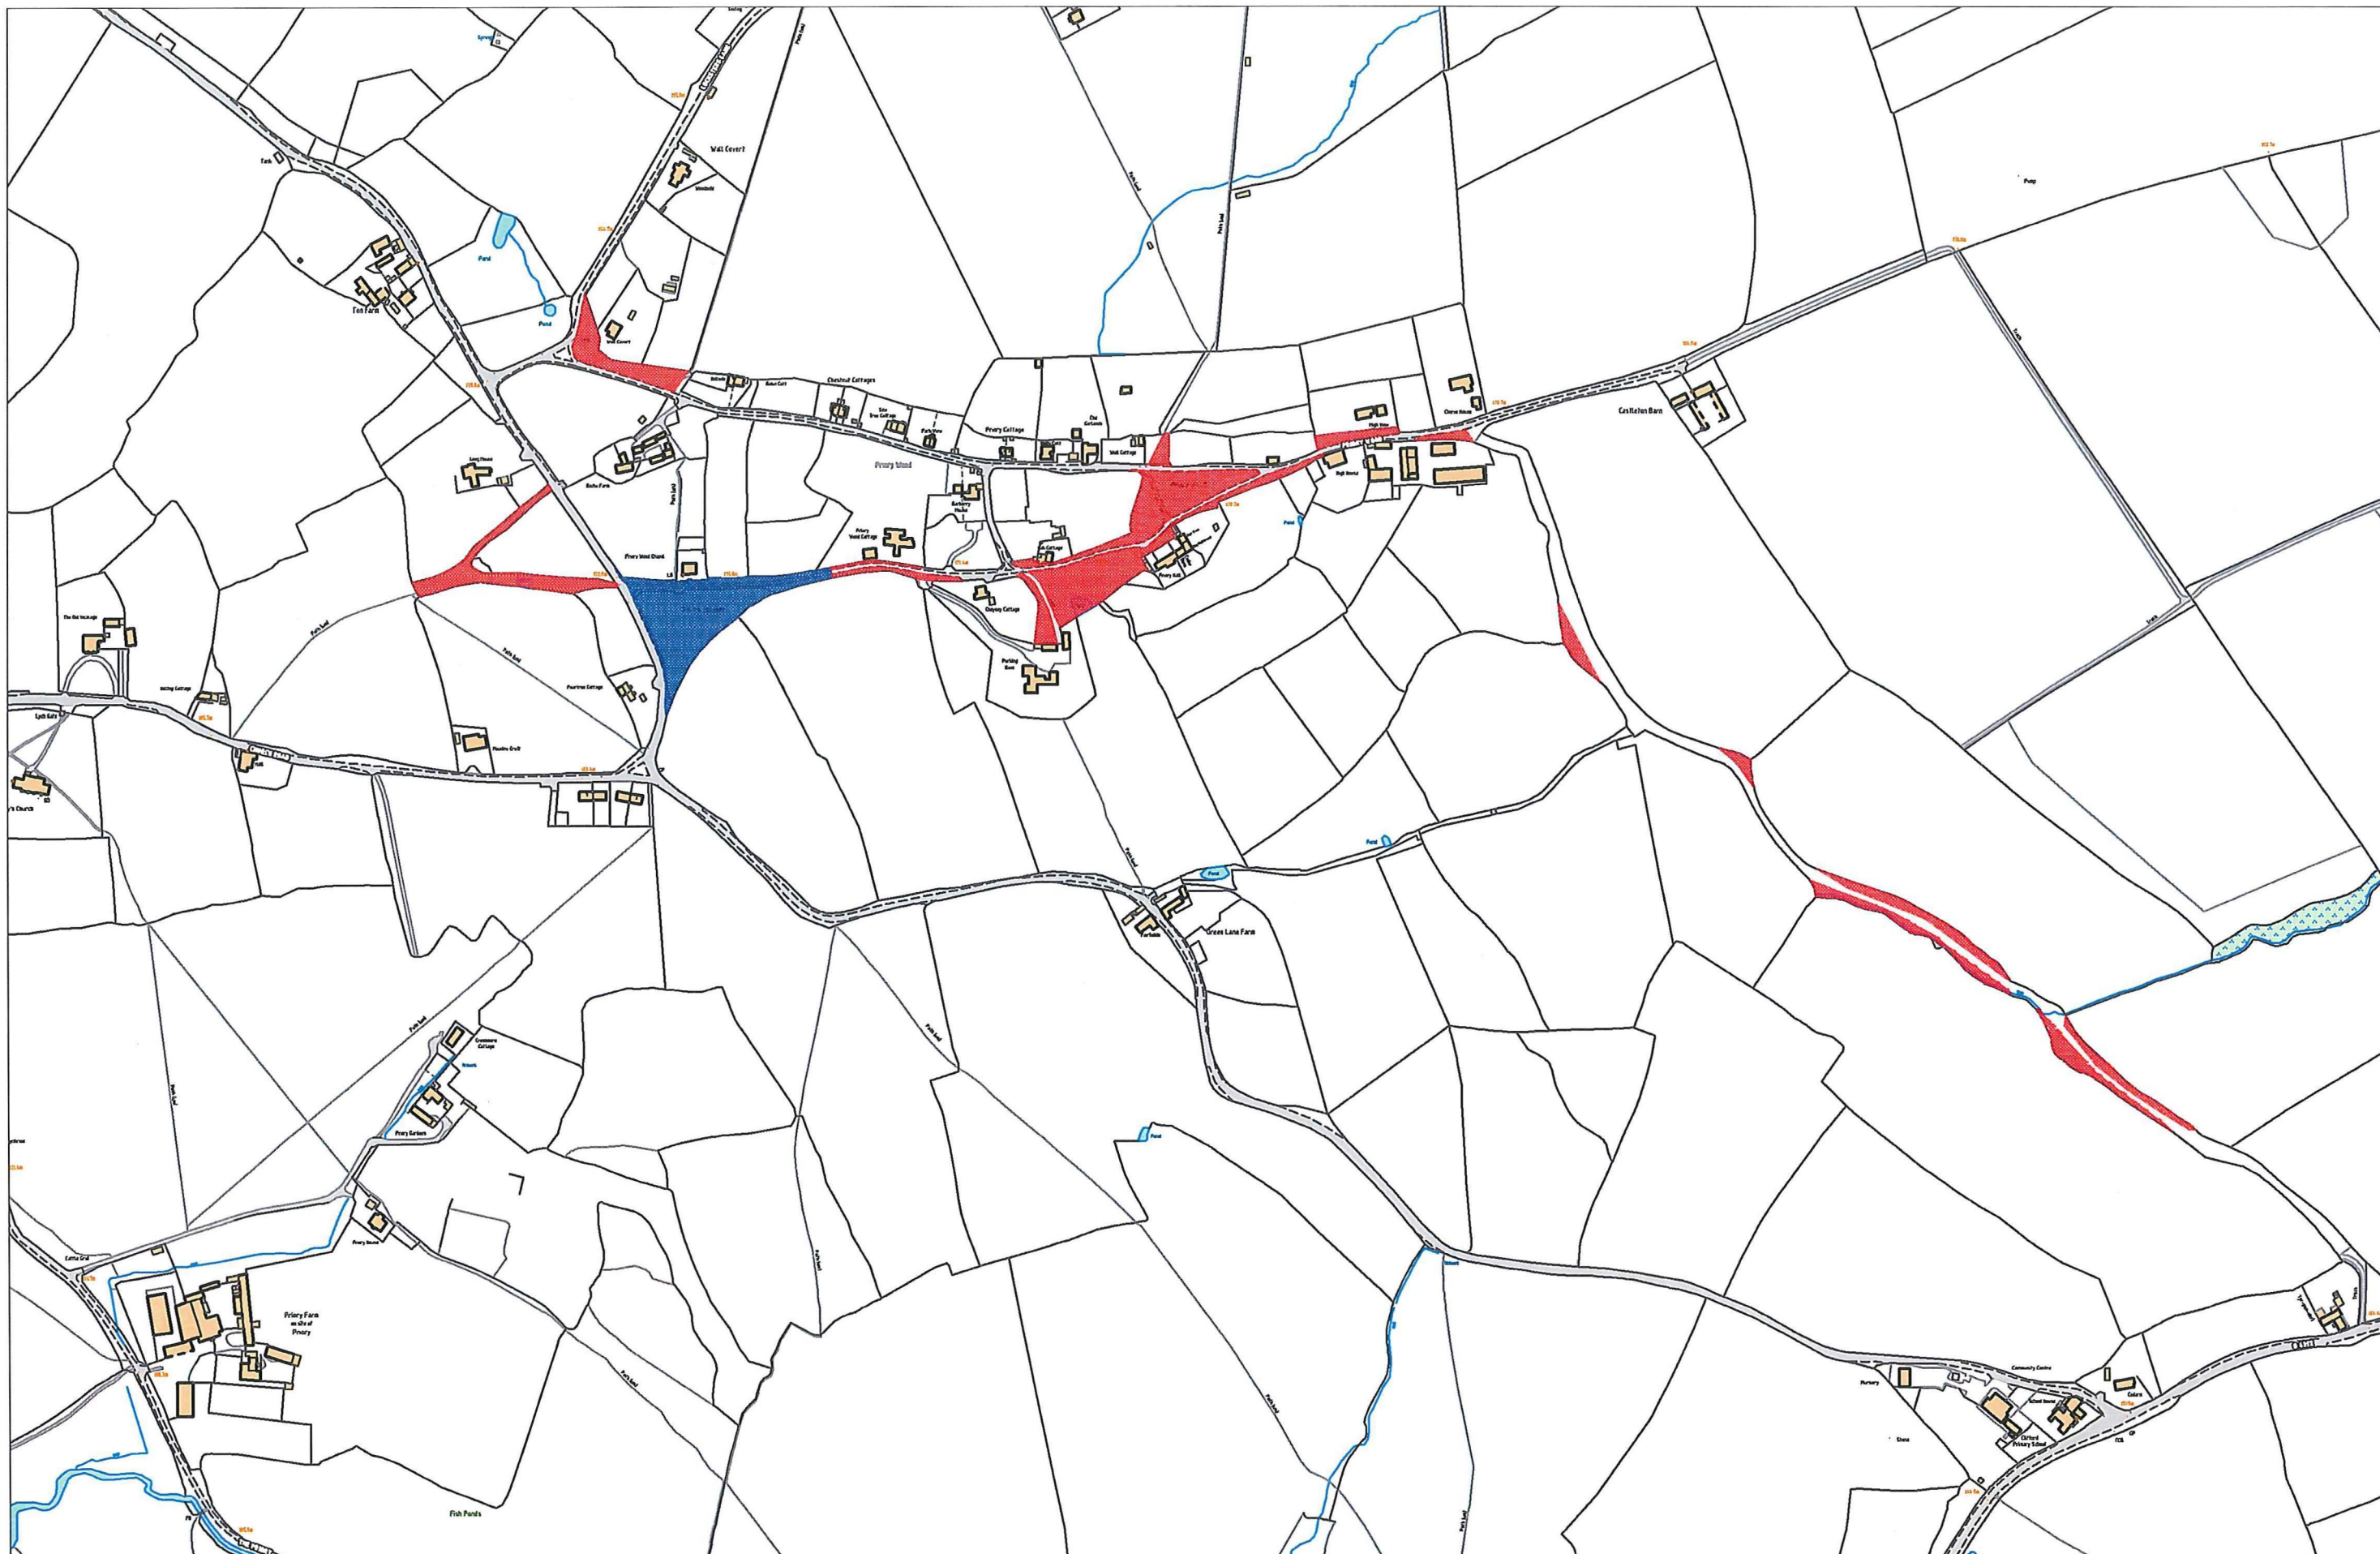

Please find attached a plan of the land it affects. The new areas are coloured red.

If you require any further information, please let me know.

Kind Regards

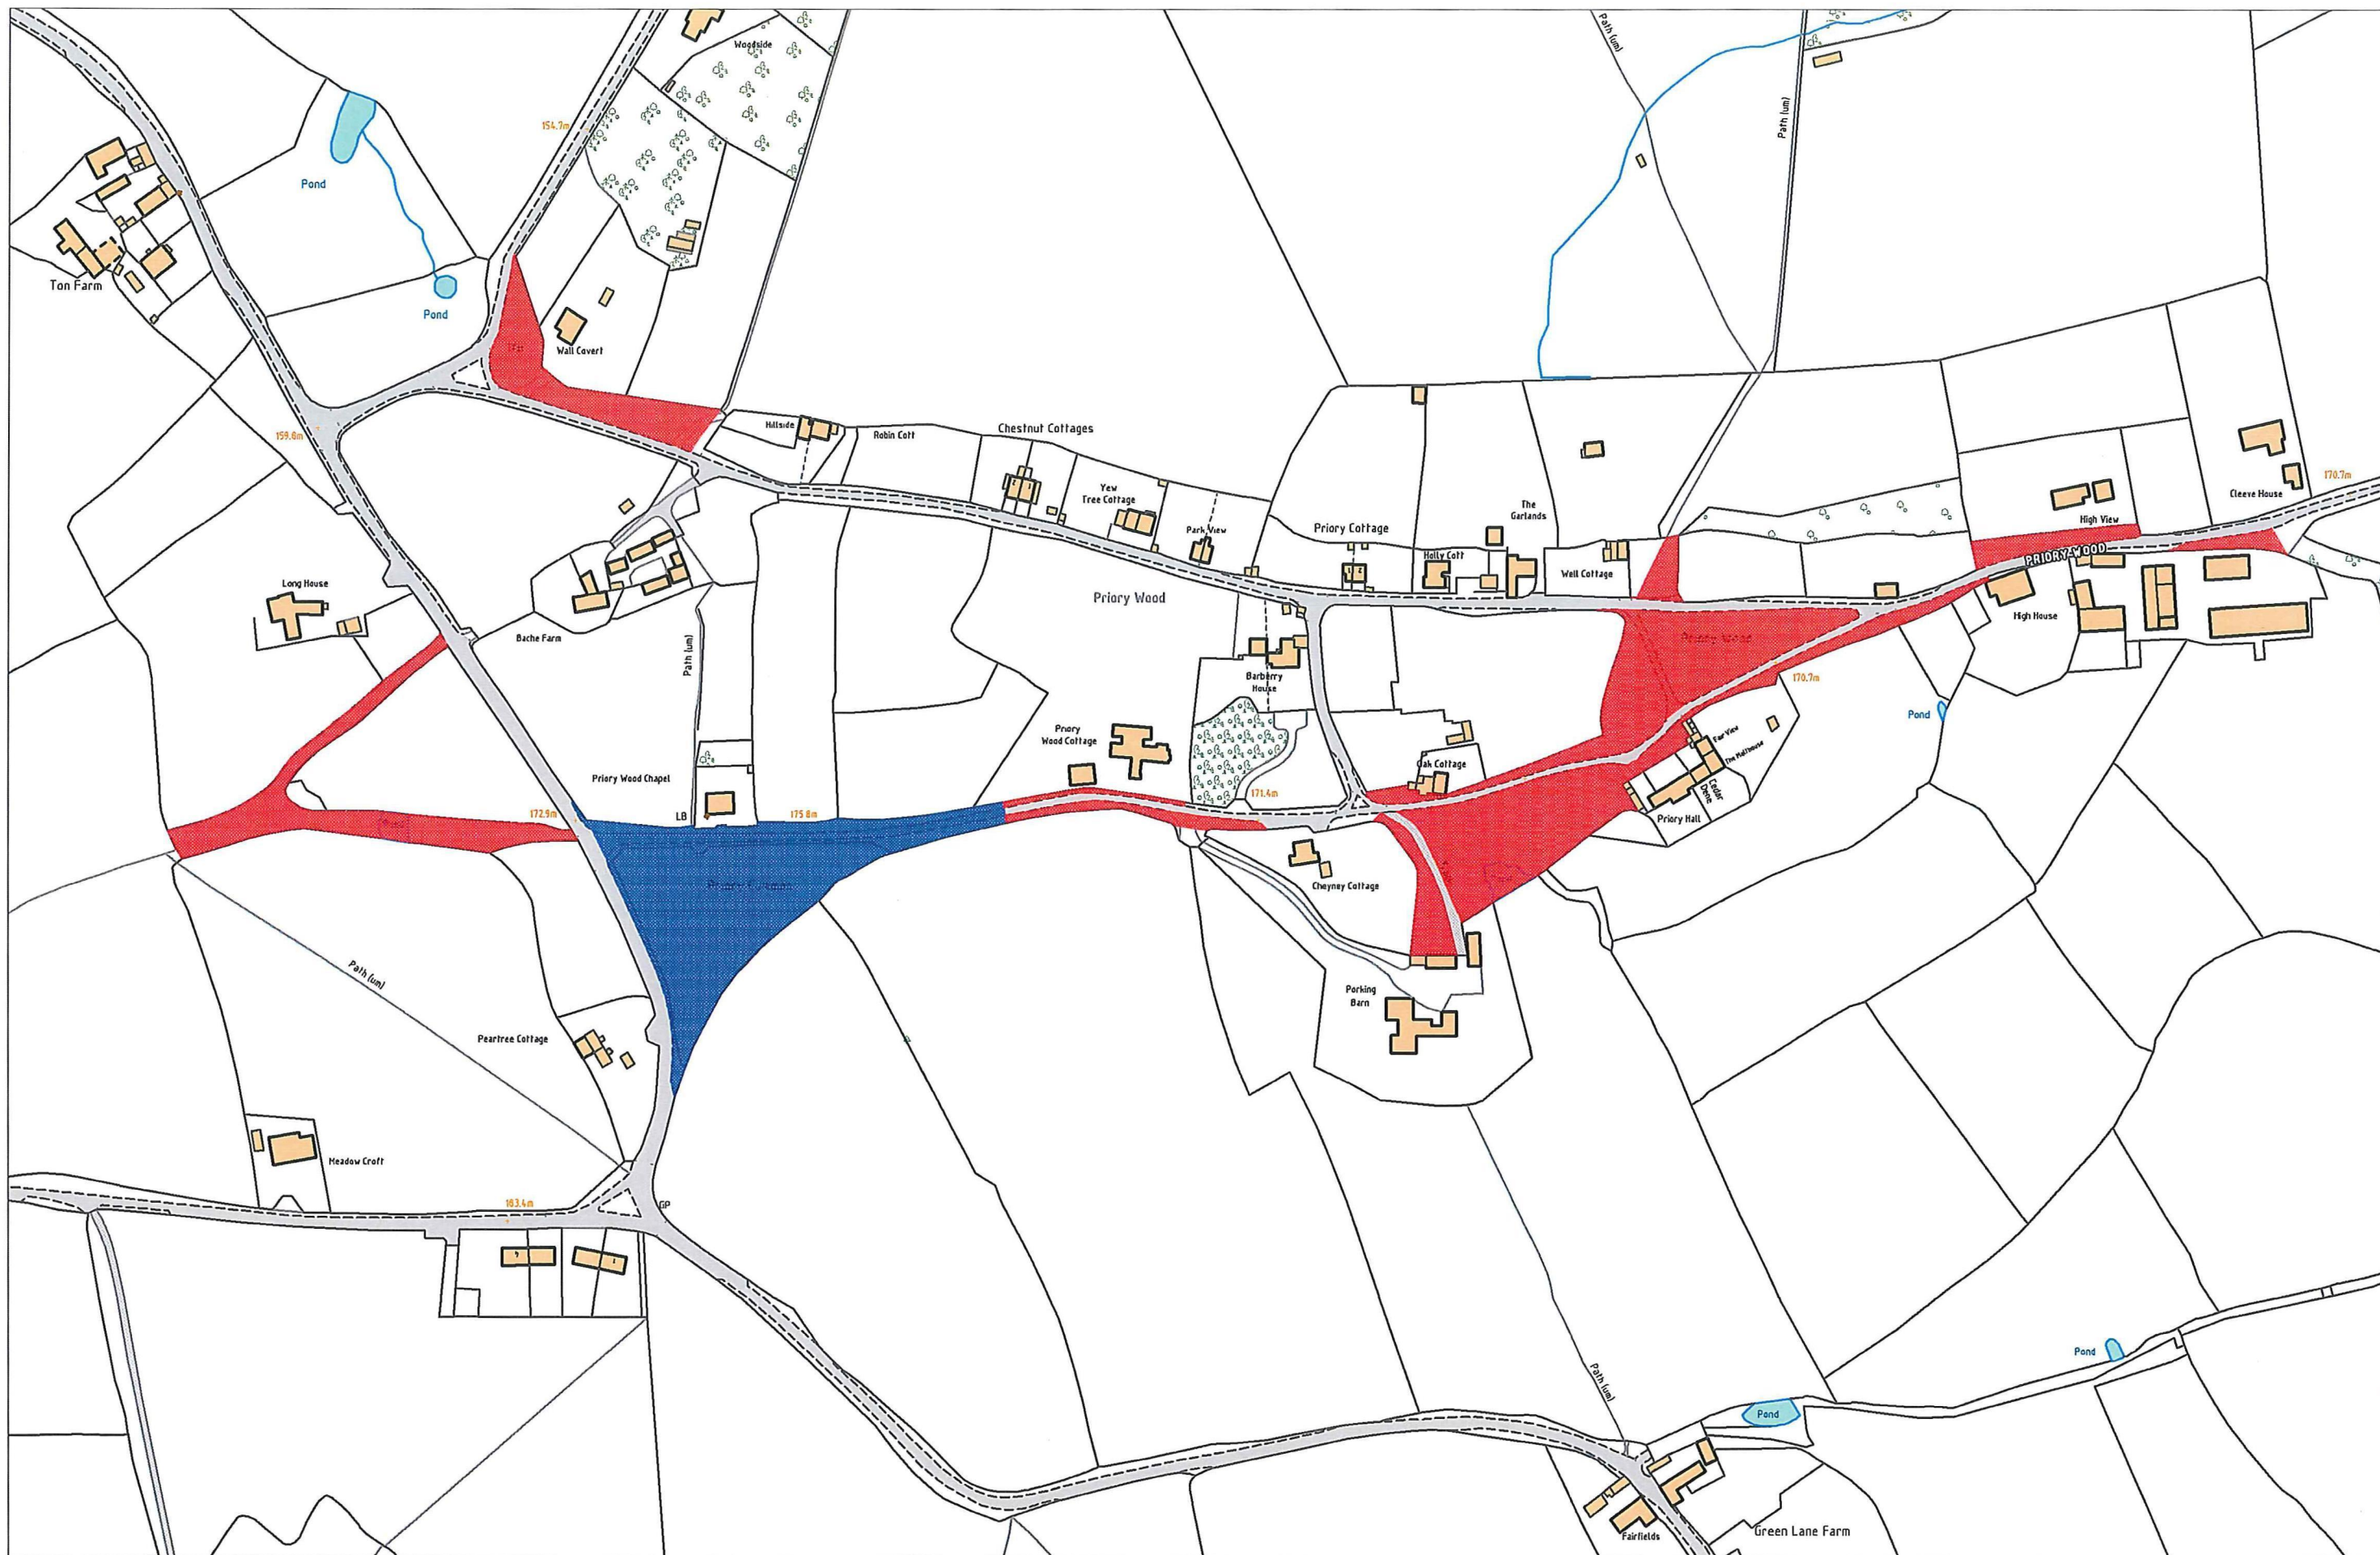

Helen
