Subject: RE: Market Street, Ledbury - 204577

Hi Carl,

I am satisfied that the applicant has carried out a thorough heritage appraisal of the site and its surrounding area as demonstrated in the submitted Heritage Statement. This demonstrates that the design of the proposed flats has responded to its particular character and specifically to the listed Newmarket House and has been developed with our involvement addressing the specific concerns we expressed.

As previously confirmed I am happy to support this proposal.

Regards,

Nick
