Application No: 151785

Grid Ref: 353517:245953

Proposed development:

SITE: Land at Willow Croft, Sutton St Nicholas, Herefordshire

DESCRIPTION: Proposed erection of one dwelling

THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice in pursuance of the provisions of the above Acts that OUTLINE PLANNING PERMISSION has been GRANTED for the development described above in accordance with the application and plans submitted to the authority subject to the following conditions:

- 1 Application for approval of the reserved matters shall be made to the local planning authority before the expiration of one year from the date of this permission.

Reason: Required to be imposed by Section 92 of the Town and Country Planning Act 1990.

- 2 The development hereby permitted shall be begun either before the expiration of two years from the date of this permission, or before the expiration of one year from the date of the approval of the last reserved matters to be approved, whichever is the later.

Reason: Required to be imposed by Section 92 of the Town and Country Planning Act 1990.

- 3 Approval of the details of the layout, scale, appearance, access and landscaping (hereinafter called "the reserved matters") shall be obtained from the local planning authority in writing before any development is commenced.

Reason: To enable the local planning authority to exercise proper control over these aspects of the development and to secure compliance with policy SD1 of the Herefordshire Local Plan - Core Strategy and the National Planning Policy Framework.

- 4 The development shall be carried out strictly in accordance with the approved plans (Drawing no. 983-80 rev A), except where otherwise stipulated by conditions attached to this permission.

Reason: To ensure adherence to the approved plans in the interests of a satisfactory form of development and to comply with Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 5 Prior to the commencement of development, a detailed plan, showing the levels of the existing site, the proposed slab levels of the dwelling approved and a datum point outside of the site, shall be submitted to and be approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details.

Reason: In the absence of sufficient detailed information, the clarification of slab levels is a necessary initial requirement before any demolition and/or groundworks are undertaken so as to define the permission and ensure that the development is of a scale and height appropriate to comply with Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 6 Foul water and surface water discharges must be drained separately from the site.

Reason: To protect the integrity of the public sewerage system and to comply with Policy SD4 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 7 No surface water shall be allowed to connect (either directly or indirectly) to the public sewerage system.

Reason: To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no detriment to the environment so as to comply with Policy SD4 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 8 No land drainage run-off will be permitted, either directly or indirectly, to discharge into the public sewerage system.

Reason: To prevent hydraulic overload of the public sewerage system and pollution of the environment so as to comply with Policy SD4 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 9 During the construction phase no machinery shall be operated, no process shall be carried out and no deliveries taken at or despatched from the site outside the following times: Monday-Friday 7.00 am-6.00 pm, Saturday 8.00 am-1.00 pm nor at any time on Sundays, Bank or Public Holidays.

Reason: To protect the amenity of local residents and to comply with Policy SD1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 10 Development shall not begin until parking for site operatives and visitors has been provided within the application site in accordance with details to be submitted to and approved by the local planning authority and such provision shall be retained and kept available during construction of the development.

Reason: To prevent indiscriminate parking, with immediate effect, in the interests of highway safety and to conform with the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

Informative:

- 1 The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against planning policy and any other material considerations. Negotiations in respect of matters of concern with the application (as originally submitted) have resulted in amendments to the proposal. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

NOTES

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within 6 months of the date of this notice, using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Right to Challenge the Decision of the High Court

Currently there are no third party rights of appeal through the planning system against a decision of a Local Planning Authority. Therefore, if you have concerns about a planning application and permission is granted, you cannot appeal that decision. Any challenge under current legislation would have to be made outside the planning system through a process called Judicial Review (JR).

The decision may be challenged by making an application for judicial review to the High Court. The time limits for bringing such challenges are very strict, and applications need to be made as soon as possible after the issue of the decision notice. So, if you think you may have grounds to challenge a decision by Judicial Review you are advised to seek professional advice as soon as possible.

These notes are provided for guidance only and apply to challenges under the legislation specified. If you require further advice on making an application for Judicial review, you should consult a solicitor or other advisor or contact the Crown Office at the Royal Courts of Justice, Queens Bench Division, Strand, London, WC2 2LL (0207 947 6000). For further information on judicial review please go to <http://www.justice.gov.uk>

The Council has taken into account environmental information when making this decision. The decision is final unless it is successfully challenged in the Courts. The Council cannot amend or interpret the decision. It may be redetermined by the Council only if the decision is quashed by the Courts. However, if it is redetermined, it does not necessarily follow that the original decision will be reversed.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
