REF. PLANNING APPLICATION

No. N122497/F.

FOR THE ATTENTION OF MR. ANDREW BANKS.

Dear Sir,

I wish to object to the above application for the following reasons.

1. The building of high density housing in such a small area would be out of keeping with the environment of Yarpole.
2. It would appear to me that little thought has been given to any garden area, front or back, which, in a rural village like Yarpole, would be out of keeping.
3. The closure of the public footpath, which is of benefit to the wider community and its visitors, should not be allowed to be of financial benefit to any one man.

I remain yours faithfully
