The following is a comment on application **P222728/N** by **Emma Thomas**

Nature of feedback: Objecting to the application

Comment: Ocle Pychard Group Parish Council wish to object to this application for the following reasons:

- It is contrary to Herefordshire Council's Waste Management Policy
- The volume of traffic has not been resolved by increasing the size of the vehicles
- Not all vehicle movement has been accounted for in the figures quoted
- The visual impact of such an industrial scale operation and related noise issues will have a detrimental effect on the surrounding areas.
- Highways have already been significantly obstructed by movement onto the site
- The amendments to this application from the previous are minor and do not address any of the previous concerns raised.
