

# PLANNING PERMISSION

**Applicant:**

Mr & Mrs B Bushnell  
Broomy House  
83 Broomy Hill  
Hereford  
Herefordshire  
HR4 0LJ

**Agent:**

Mr David F Baume  
Hook Mason Limited  
Studio 2, Thorn Office Centre  
Holme Lacy Road  
Rotherwas  
Hereford  
HR2 6JT

---

Date of Application: 30 September 2020

Application No: 203335

Grid Ref:349554:239333

---

**Proposed development:**

**SITE:** Land at Broomy House, 83 Broomy Hill, Hereford,  
**DESCRIPTION:** Erection of three dwellinghouses and associated vehicle access.

---

THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice in pursuance of the provisions of the above Acts that PLANNING PERMISSION has been GRANTED for the development described above in accordance with the application and plans submitted to the authority subject to the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: Required to be imposed by Section 91 of the Town and Country Planning Act 1990.

- 2 The development shall be carried out strictly in accordance with the approved plans (drawing nos. 7367-1 D, 7367-2 D, 7367-3 D 7367-6 D, 7367-7 D received 1st April 2020 and 7367-4 E received 15th May 2021), except where otherwise stipulated by conditions attached to this permission.

Reason. To ensure adherence to the approved plans in the interests of a satisfactory form of development and to comply with Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 3 With the exception of any site clearance and groundwork, no further development shall take place until details or samples of materials to be used externally on walls and roofs have been submitted to and approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details.

Reason: To ensure that the materials harmonise with the surroundings so as to ensure that the development complies with the requirements of Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 4 Notwithstanding the provisions of article 3(1) and Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015,(or any order revoking or re-enacting that Order with or without modification), no development which would otherwise be permitted under Classes A, AA, B and E of Part 1 and of Schedule 2, shall be carried out.

Reason: In order to ensure that future alterations and development can be adequately controlled in the interests of upholding the character of the scheme, the character of the locale and the significance of the Broomy Hill Conservation Area in accordance with policies SD1, LD1 and LD4 of the Herefordshire Local Plan Core Strategy and the National Planning Policy Framework.

- 5 No development, including any site clearance or demolition, shall begin until a Construction Environmental Management Plan (CEMP) including a full Ecological Working Method Statement and a specified 'responsible person', has been supplied to and improved in writing by the local planning authority. The approved CEMP shall be implemented and remain in place until all work is complete on site and all equipment and spare materials have finally been removed; unless otherwise agreed in writing by the local planning authority.

Reason: To ensure all habitats and species are protected having regard to The Conservation of Habitats and Species Regulations 2017, as amended by the Conservation of Habitats and Species (Amendment) (EU Exit) Regulations 2019' (the 'Habitats Regulations'), National Planning Policy Framework, NERC Act (2006) and Herefordshire Local Plan - Core Strategy policies SS1, SS6, LD1, LD2 and LD3.

- 6 With the exception of site clearance and groundworks, no further development shall commence until a detailed landscaping scheme based on the recommendations within the report by Peter Quin Associates shall be submitted and approved in writing by the local planning authority. The scheme shall include a scaled plan identifying:

- a) Trees and hedgerow to be retained, setting out measures for their protection during construction, in accordance with BS5837:2012
- b) Trees and hedgerow to be removed.
- c) All proposed planting, accompanied by a written specification setting out; species, size, quantity, density with cultivation details.
- d) All proposed hardstanding and boundary treatment.

Reason: To safeguard and enhance the character and amenity of the area in order to conform with policies SS6, LD1 and LD3 of the Herefordshire Local Plan - Core Strategy and the National Planning Policy Framework.

- 7 All planting, seeding or turf laying in the landscaping scheme approved pursuant to Condition 6 shall be carried out in the first planting season following the occupation of the building or the completion of the development, whichever is the sooner. Any trees or plants which die, are removed or become severely damaged or diseased within 5 years of planting will be replaced in accordance with the approved plans.

Reason: To ensure implementation of the landscape scheme approved by local planning authority in order to conform with policies SS6, LD1 and LD3 of the Herefordshire Local Plan - Core Strategy and the National Planning Policy Framework.

- 8 Before any of the dwellings hereby approved are occupied, a schedule of landscape maintenance for a period of 10 years shall be submitted to and approved in writing by the local planning authority. Maintenance shall be carried out in accordance with this approved schedule.

Reason: To ensure the future establishment of the approved scheme, in order to conform with policies SS6, LD1 and LD3 of the Herefordshire Local Plan - Core Strategy and the National Planning Policy Framework.

- 9 Prior to the first occupation of any of the dwellings hereby approved, a fully detailed and specified Biodiversity Enhancement Plan including a relevant location plan that is appropriate with the scale, nature and location of the development including provision of fixed habitat features (enhancing bat roosting, bird nesting, insect populations, hedgehog homes and movement corridors) shall be provided to the planning authority for approval. The approved scheme shall be implemented in full and hereafter maintained unless otherwise agreed in writing by the planning authority.

Reason: To ensure Biodiversity Net Gain as well as species and habitats enhancement having regard to the Conservation of Habitats and Species (Amendment) (EU Exit) Regulations 2019' (the 'Habitats Regulations'), Wildlife and Countryside Act 1981, National Planning Policy Framework, NERC Act (2006) and Herefordshire Local Plan - Core Strategy policies LD1, LD2 and LD3.

- 10 Except where otherwise stipulated by condition, the development hereby approved shall be carried out strictly in accordance with the details set out within the Tree Survey & Arboricultural Impact Assessment by Mackley Davies Associates Ltd and as shown on approved plan 7367-2D

Reason: To ensure that the development is carried out only as approved by the Local Planning Authority and to conform with Policies LD1 and LD3 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 11 Before any other works hereby approved are commenced, visibility splays, and any associated set back splays at 45 degree angles shall be provided from a point 0.6 metres above ground level at the centre of the access to the application site and 2.4 metres back from the nearside edge of the adjoining carriageway (measured perpendicularly) for a distance of 33 metres in each direction along the nearside edge of the adjoining carriageway in accordance with approved plan 7367-1 D. Nothing shall be planted, erected and/or allowed to grow on the triangular area of land so formed which would obstruct the visibility described above.

Reason: In the interests of highway safety and to conform to the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 12 Prior to the first use of the new vehicular access hereby approved, the access shall be constructed at a gradient not steeper than 1 in 12 and in accordance with a specification which has been submitted to and approved in writing by the Local Planning Authority.

Reason: In the interests of highway safety and to conform to the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy.

- 13 Any new access gates or doors to the site access shall be set back 10 metres from the adjoining carriageway edge and shall be made to open inwards only.

Reason: In the interests of highway safety and to conform to the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 14 All foul water shall discharge through a connection to the local Mains Sewer network ((Hereford-Eign waste water treatment works) and surface water shall be managed through a soakaway system within the development boundary; unless otherwise agreed in writing by the Local Planning Authority

Reason: In order to comply with The Conservation of Habitats and Species Regulations 2017, as amended by the Conservation of Habitats and Species (Amendment) (EU Exit) Regulations 2019' (the 'Habitats Regulations'), National Planning Policy Framework, NERC Act (2006) and Herefordshire Local Plan - Core Strategy policies SS1, SS6, LD2, SD3 and SD4.

- 15 At no time shall any external lighting be installed on the southern, eastern or western elevations or garden areas of the permitted development. All other lighting installed shall demonstrate compliance with latest best practice guidance relating to lighting and protected species-wildlife available from the Institution of Lighting Professionals

Reason: To ensure that all species and Dark Skies are protected having regard to the Wildlife and Countryside Act 1981, the Conservation of Habitats and Species (Amendment) (EU Exit) Regulations 2019' (the 'Habitats Regulations'), National Planning Policy Framework, NERC Act (2006), Herefordshire Local Plan - Core Strategy policies SS6, LD1, LD2 and LD3 and the Dark Skies initiative (DEFRA-NPPF 2013/19).

- 16 None of the dwellings shall be occupied until the sewerage disposal and drainage works have been completed in accordance with the details set out with in the Surface Water Management Plan and Foul Drainage Strategy reference L0269. Those arrangements shall thereafter be maintained in perpetuity.

Reason: In order to ensure that satisfactory drainage arrangements are provided and to comply with Policy SD4 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 17 No surface water and/or land drainage shall be allowed to connect directly or indirectly with the public sewerage network

Reason: To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment in accordance with policies SD1, SD3 and SD4 of the Herefordshire Local Plan Core Strategy.

- 18 During the construction phase no machinery shall be operated, no process shall be carried out and no deliveries taken at or despatched from the site outside the following times: Monday-Friday 7.00 am-6.00 pm, Saturday 8.00 am-1.00 pm nor at any time on Sundays, Bank or Public Holidays.

Reason: To protect the amenity of local residents and to comply with Policy SD1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 19 Prior to the first occupation of the development a scheme demonstrating measures for the efficient use of water as per the optional technical standards contained within Policy SD3 of the Herefordshire Local Plan Core Strategy shall be submitted to and approved in writing by the local planning authority and implemented as approved.

Reason: To ensure compliance with Policies SD3 and SD4 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework

Informatives:

- 1 The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against planning policy and any other material considerations, including any representations that have been received. It has subsequently determined to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

- 2 The applicant may need to apply to Dwr Cymru / Welsh Water for any connection to the public sewer under S106 of the Water industry Act 1991. If the connection to the public sewer network is either via a lateral drain (i.e. a drain which extends beyond the connecting property boundary) or via a new sewer (i.e. serves more than one property), it is now a mandatory requirement to first enter into a Section 104 Adoption Agreement (Water Industry Act 1991). The design of the sewers and lateral drains must also conform to the Welsh Ministers Standards for Gravity Foul Sewers and Lateral Drains, and conform with the publication "Sewers for Adoption"- 7th Edition. Further information can be obtained via the Developer Services pages of [www.dwrcymru.com](http://www.dwrcymru.com)

The applicant is also advised that some public sewers and lateral drains may not be recorded on our maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

- 3 The planning permission hereby granted does not extend any rights to carry out any works to the public sewerage or water supply systems without first having obtained the necessary permissions required by the Water industries Act 1991. Any alterations to existing premises resulting in the creation of additional premises or merging of existing premises must also be constructed so that each is separately connected to the Company's water main and can be separately metered. Please contact our new connections team on 0800 917 2652 for further information on water & sewerage connections.

- 4 This permission does not authorise the laying of private apparatus within the confines of the public highway. The applicant should apply to Balfour Beatty (Managing Agent for Herefordshire Council) Highways Services, Unit 3 Thorn Business Park, Rotherwas, Hereford HR2 6JT, (Tel: 01432 261800), for consent under the New Roads and Streetworks Act 1991 to install private apparatus within the confines of the public highway. Precise details of all works within the public highway must be agreed on site with the Highway Authority. A minimum of 4 weeks notification will be required (or 3 months if a road closure is involved).

Under the Traffic Management Act 2004, Herefordshire Council operate a notice scheme to co-ordinate Streetworks. Early discussions with the Highways Services

Team are advised as a minimum of 4 weeks to 3 months notification is required (dictated by type of works and the impact that it may have on the travelling public). Please note that the timescale between notification and you being able to commence your works may be longer depending on other planned works in the area and the traffic sensitivity of the site. The Highway Service can be contacted on Tel: 01432 261800.

- 5 The Authority would advise the applicant that they have a legal duty of care as regards wildlife protection under the Wildlife & Countryside Act (1981 as amended), with enhanced protection for special "protected species" including Badgers, Great Crested Newts, Bats, Otters, and Dormice. All nesting birds are legally protected from disturbance at any time of the year and care should be taken to undertake the necessary precautionary checks and develop relevant working methods prior to work commencing. If in any doubt it is advised that advice from a local professional ecology consultant is obtained.

**SIMON WITHERS**  
**DEVELOPMENT MANAGER**

Date: 24 June 2021

**YOUR ATTENTION IS DRAWN TO THE FOLLOWING NOTES**

**Notes**

This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation. In particular consent may be required under the Building Regulations.

The applicant is advised that additional Council Tax payments may be sought in the event that the Valuation Office, who routinely monitor decision notices, consider any part of the development hereby permitted to be self-contained. This assessment is particularly likely to be the case in respect of flats, basement conversions, granny annexes, studio rooms and log cabins and/or where the additional accommodation contains its own kitchen, bathroom and bedroom. Further information can be found on the Council's website at <https://www.herefordshire.gov.uk/search?q=annexes>

**Appeals to the Secretary of State**

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within 6 months of the date of this notice, or 12 weeks if the scheme is for that of "household" development using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the

conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

### **Right to Challenge the Decision of the High Court**

Currently there are no third party rights of appeal through the planning system against a decision of a Local Planning Authority. Therefore, if you have concerns about a planning application and permission is granted, you cannot appeal that decision. Any challenge under current legislation would have to be made outside the planning system through a process called Judicial Review (JR).

The decision may be challenged by making an application for judicial review to the High Court. The time limits for bringing such challenges are very strict, and applications need to be made as soon as possible after the issue of the decision notice. So, if you think you may have grounds to challenge a decision by Judicial Review you are advised to seek professional advice as soon as possible.

These notes are provided for guidance only and apply to challenges under the legislation specified. If you require further advice on making an application for Judicial review, you should consult a solicitor or other advisor or contact the Crown Office at the Royal Courts of Justice, Queens Bench Division, Strand, London, WC2 2LL (0207 947 6000). For further information on judicial review please go to <http://www.justice.gov.uk>

The Council has taken into account environmental information when making this decision. The decision is final unless it is successfully challenged in the Courts. The Council cannot amend or interpret the decision. It may be redetermined by the Council only if the decision is quashed by the Courts. However, if it is redetermined, it does not necessarily follow that the original decision will be reversed.

### **Purchase Notices**

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
