The following is a comment on application **P193458/F** by **Julie Debbage**

Nature of feedback: Support the application

Comment: Leominster Town Council support the application in principal but the surface water should be dealt with on site as there is a drainage issue on Ginhall Lane. Concerns were also raised regarding the removal of hedges and extra traffic flow on Ginhall Lane and Green Lane. Due to the amount of responses, it is recommended that this application should go to Herefordshire Council Planning Committee.
