**Comment:** I train at ground hammer club. I work [REDACTED] work so the amount of classes available allows me to maintain consistency. This consistency not only keeps me fit but also helps me get rid of the day to day stresses of life. This club has a brilliant motivated friendly atmosphere everyone is here to improve themselves. As a result of the club being open I have brought my godson to the club to learn jiu jitsu. The benefits of which will help in his development as a decent functioning member of society.
