Subject: Site plan for land adjacent to Cobnash House

Dear Simon

Please find attached a site plan showing the data from the tree survey.

I have moved the house on Plot 2 back by approximately 50cm - 1m so that we are more than clear of the oak tree (circled in green).

Do let me know if there is anything else I can supply.

With my best wishes

Merry

From April 1st 2016 The Self-Build and Custom Housebuilding Act 2015 places a legal duty on ALL Local Authorities to create and manage a SELF BUILD and CUSTOM HOME Register. We strongly recommend that any individual or community group wishing to build or commission their own home joins this register. Local Authorities must have regard for the evidence of demand shown by the register and should use the information to shape their planning policies, land use and decision making processes - to actively support those wishing to build their own home. Contact your Local Authority to join their Register if you are interested in self build/custom build now or in the future.
