Date of Application: 23 February 2018

Application No:
180584

Grid Ref:357933:227180

Proposed development:

SITE: Banbury Cottage, Sellack Marsh, Ross-on-Wye,
DESCRIPTION: Proposed replacement dwelling.

THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice in pursuance of the provisions of the above Acts that PLANNING PERMISSION has been GRANTED for the development described above in accordance with the application and plans submitted to the authority subject to the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: Required to be imposed by Section 91 of the Town and Country Planning Act 1990.

- 2 The development hereby approved shall be carried out strictly in accordance with the approved plans (drawing nos 181121-1, 2 & 3) and the schedule of materials indicated thereon.

Reason: To ensure adherence to the approved plans and to protect the general character and amenities of the area in accordance with the requirements of Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 3 Notwithstanding the provisions of article 3(1) and Schedule 2 of the Town and Country Planning (General Permitted Development)(England) Order 2015,(or any order revoking or re-enacting that Order with or without modification), no development which would otherwise be permitted under Classes A, B, C, D and E of Part 1 and of Schedule 2, shall be carried out.

Reason - In order to protect the character and amenity of the locality, to maintain the amenities of adjoining property and to comply with Policy SD1, LD1 and RA3 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 4 Prior to commencement of the development hereby permitted full details of a scheme for the provision of covered and secure cycle parking facilities within the curtilage of the dwelling shall be submitted to the Local Planning Authority for their written approval. The development shall not commence until the Local Planning Authority has given such written approval. The covered and secure cycle parking facilities shall be carried out in strict accordance with the approved details and available for use prior to the occupation of the dwellinghouse hereby permitted. Thereafter these facilities shall be maintained.

Reason: To ensure that there is adequate provision for secure cycle accommodation within the application site, encouraging alternative modes of transport in accordance with both local and national planning policy and to conform with the requirements of Policies SD1 and MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 5 Prior to the first occupation of the dwelling hereby approved space shall be laid out within the application site for 3 cars to be parked and for a vehicle to turn so that it may enter and leave the application site in a forward gear. The parking area shall be properly consolidated, surfaced and drained in accordance with details to be submitted to and approved in writing by the local planning authority and that area shall not thereafter be used for any other purpose than the parking of domestic vehicles.

Reason: In the interests of highway safety, to ensure the free flow of traffic using the adjoining highway and to conform with the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 6 If, during development, contamination not previously identified is found to be present at the site then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until the developer has submitted, and obtained written approval from the local planning authority for, an amendment to the Method Statement detailing how this unsuspected contamination shall be dealt with.

Reason: To prevent pollution of controlled waters and to comply with Policy SD1 of the Herefordshire Local Plan – Core Strategy [and the National Planning Policy Framework].

- 7 Surface water will be managed through an appropriate soakaway system or Sustainable Drainage System (SuDS) within land under the applicants control as indicated on supplied Planning Application information and shall be maintained hereafter unless otherwise agreed in writing by the Local Planning Authority.

Reason: In order to comply with Habitat Regulations (2017), National Planning Policy Framework, NERC Act (2006) and Herefordshire Council Core Strategy (2015) policies LD2 and SD3.

- 8 Foul Water will be managed through connection to existing Septic Tank system as confirmed on the Planning Application and shall be maintained hereafter unless otherwise agreed in writing by the Local Planning Authority.

Reason: In order to comply with Habitat Regulations (2017), National Planning Policy Framework, NERC Act (2006) and Herefordshire Council Core Strategy (2015) policies LD2 and SD4.

- 9 The ecological protection, mitigation, compensation and working methods scheme including the detailed Biodiversity enhancement features and European Protected Species Licence (Bats), as recommended in the report by European Land Management Services dated June 2018 shall be implemented in full as stated unless otherwise approved in writing by the local planning authority and Natural England as relevant to the protected species licence. The Biodiversity enhancements shall be maintained hereafter as approved unless otherwise agreed in writing by the Local Planning Authority.

Reason: To ensure that all species are protected and habitats enhanced having regard to the Wildlife and Countryside Act 1981 (as amended), the Conservation (Natural Habitats, &c) Regulations 1994 (as amended) and Policy LD2 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework, NERC 2006

Informatives:

- 1 The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against planning policy and any other material considerations. Negotiations in respect of matters of concern with the application (as originally submitted) have resulted in amendments to the proposal. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

- 2 It is an offence under Section 148 of the Highways Act 1980 to allow mud or other debris to be transmitted onto the public highway. The attention of the applicant is drawn to the need to keep the highway free from any mud or other material emanating from the application site or any works pertaining thereto.

- 3 This permission does not authorise the laying of private apparatus within the confines of the public highway. The applicant should apply to Balfour Beatty (Managing Agent for Herefordshire Council)
Highways Services, Unit 3 Thorn Business Park, Rotherwas, Hereford HR2 6JT, (Tel: 01432 261800), for consent under the New Roads and Streetworks Act 1991 to install private apparatus within the confines of the public highway. Precise details of all works within the public highway must be agreed on site with the Highway Authority. A minimum of 4 weeks notification will be required (or 3 months if a road closure is involved).

Under the Traffic Management Act 2004, Herefordshire Council operate a notice scheme to coordinate Streetworks. Early discussions with the Highways Services Team are advised as a minimum of 4 weeks to 3 months notification is required (dictated by type of works and the impact that it may have on the travelling public). Please note that the timescale between notification and you being able to commence your works may be longer depending on other planned works in the area and the traffic sensitivity of the site. The Highway Service can be contacted on Tel: 01432 261800.

- 4 Drainage arrangements shall be provided to ensure that surface water from the driveway and/or vehicular turning area does not discharge onto the public highway. No drainage or effluent from the proposed development shall be allowed to discharge into any highway drain or over any part of the public highway.

- 5 It is the responsibility of the developer to arrange for a suitable outfall or discharge point. It cannot be assumed that the highway drainage system can be used for such purposes.
- 6 The applicant's attention is drawn to the requirement for design to conform to Herefordshire Council's 'Highways Design Guide for New Developments' and 'Highways Specification for New Developments'.

KEVIN BISHOP
LEAD DEVELOPMENT MANAGER

Date: 27 July 2018

YOUR ATTENTION IS DRAWN TO THE NOTES BELOW

Notes

This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation. In particular consent may be required under the Building Regulations.

The applicant is advised that additional Council Tax payments may be sought in the event that the Valuation Office, who routinely monitor decision notices, consider any part of the development hereby permitted to be self-contained. This assessment is particularly likely to be the case in respect of flats, basement conversions, granny annexes, studio rooms and log cabins and/or where the additional accommodation contains its own kitchen, bathroom and bedroom. Further information can be found on the Council's website at <https://www.herefordshire.gov.uk/search?q=annexes>

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within 6 months of the date of this notice, using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Right to Challenge the Decision of the High Court

Currently there are no third party rights of appeal through the planning system against a decision of a Local Planning Authority. Therefore, if you have concerns about a planning application and permission is granted, you cannot appeal that decision. Any challenge under current legislation would have to be made outside the planning system through a process called Judicial Review (JR).

The decision may be challenged by making an application for judicial review to the High Court. The time limits for bringing such challenges are very strict, and applications need to be made as soon as possible after the issue of

the decision notice. So, if you think you may have grounds to challenge a decision by Judicial Review you are advised to seek professional advice as soon as possible

These notes are provided for guidance only and apply to challenges under the legislation specified. If you require further advice on making an application for Judicial review, you should consult a solicitor or other advisor or contact the Crown Office at the Royal Courts of Justice, Queens Bench Division, Strand, London, WC2 2LL (0207 947 6000). For further information on judicial review please go to <http://www.justice.gov.uk>

The Council has taken into account environmental information when making this decision. The decision is final unless it is successfully challenged in the Courts. The Council cannot amend or interpret the decision. It may be redetermined by the Council only if the decision is quashed by the Courts. However, if it is redetermined, it does not necessarily follow that the original decision will be reversed.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
