Proposed development:

SITE: Land at Bainstree Farm, Monkland, Leominster,
DESCRIPTION: Proposed agricultural workers dwelling including farm office and detached garage/storage

THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice in pursuance of the provisions of the above Acts that PLANNING PERMISSION has been GRANTED for the development described above in accordance with the application and plans submitted to the authority subject to the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: Required to be imposed by Section 91 of the Town and Country Planning Act 1990.
- 2 The development hereby approved shall be carried out strictly in accordance with the approved plans (drawing nos. P003 (B); P100 (C)) and the schedule of materials indicated thereon.

Reason: To ensure adherence to the approved plans and to protect the general character and amenities of the area in accordance with the requirements of Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.
- 3 With the exception of any site clearance and groundwork no further development shall take place until details or samples of materials to be used externally on walls and roofs have been submitted to and approved in writing by the local planning authority. Development shall be carried out in accordance with the approved details.

Reason: To ensure that the materials harmonise with the surroundings so as to ensure that the development complies with the requirements of Policy SD1 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 4 The occupation of the dwelling shall be limited to a person solely or mainly working or last working, in the locality in agriculture or in forestry, or a widow or widower of such a person, and to any resident dependants.

Reason: It would be contrary to Policy RA4 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework to grant planning permission for a dwelling in this location except to meet the expressed case of agricultural need.

- 5 Notwithstanding the provisions of article 3(1) and Schedule 2 of the Town and Country Planning (General Permitted Development)(England) Order 2015,(or any order revoking or re-enacting that Order with or without modification), no development which would otherwise be permitted under Classes A, B, C, D, E and H of Part 1 and of Schedule 2, shall be carried out.

Reason: In order to protect the character and amenity of the locality and to comply with Policy SD1 and RA4 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 6 Any new access gates shall be set back 5 metres from the adjoining carriageway edge and shall be made to open inwards only.

Reason: In the interests of highway safety and to conform with the requirements of Policy MT1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 7 Prior to the occupation of the development details of the proposed foul and surface water drainage arrangements shall be submitted to and approved in writing by the local planning authority. The approved scheme shall be implemented before the first occupation of any of the building hereby permitted.

Reason: In order to ensure that satisfactory drainage arrangements are provided and to comply with Policies SD3 and SD4 of the Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 8 During the construction phase no machinery shall be operated, no process shall be carried out and no deliveries taken at or despatched from the site outside the following times: Monday-Friday 7.00 am-6.00 pm, Saturday 8.00 am-1.00 pm nor at any time on Sundays, Bank or Public Holidays.

Reason: To protect the amenity of local residents and to comply with Policy SD1 of Herefordshire Local Plan – Core Strategy and the National Planning Policy Framework.

- 9 The recommendations for species and habitat enhancements set out in Section 8 of the ecologist's report from Star Ecology dated march 2017 should be followed unless otherwise agreed in writing by the local planning authority and the scheme shall be carried out as approved. A working method statement for protected species present with enhancement should be submitted to the local planning authority in writing. The plan shall be implemented as approved.

An appropriately qualified and experienced ecological clerk of works should be appointed (or consultant engaged in that capacity) to oversee the ecological mitigation work.

Reasons:

To ensure that all species are protected having regard to the Wildlife and Countryside Act 1981 (with amendments and as supplemented by the Countryside and Rights of Way Act 2000), the Natural Environment and Rural Communities Act 2006 and the Conservation of Habitats and Species Regulations 2010 (and 2012 amendment).

To comply Herefordshire Council's Policies LD2 Biodiversity and Geodiversity, LD3 Green Infrastructure of the Herefordshire Local Plan Core Strategy 2013 – 2031 and to meet the requirements of the National Planning Policy Framework (NPPF).

Informatives:

- 1 The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against planning policy and any other material considerations, including any representations that have been received. It has subsequently determined to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
- 2 It is an offence under Section 148 of the Highways Act 1980 to allow mud or other debris to be transmitted onto the public highway. The attention of the applicant is drawn to the need to keep the highway free from any mud or other material emanating from the application site or any works pertaining thereto.

YOUR ATTENTION IS DRAWN TO THE NOTES BELOW

Notes

This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation. In particular consent may be required under the Building Regulations.

The applicant is advised that additional Council Tax payments may be sought in the event that the Valuation Office, who routinely monitor decision notices, consider any part of the development hereby permitted to be self-contained. This assessment is particularly likely to be the case in respect of flats, basement conversions, granny annexes, studio rooms and log cabins and/or where the additional accommodation contains its own kitchen, bathroom and bedroom. Further information can be found on the Council's website at <https://www.herefordshire.gov.uk/search?q=annexes>

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

- If you want to appeal, then you must do so within 6 months of the date of this notice, using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Right to Challenge the Decision of the High Court

Currently there are no third party rights of appeal through the planning system against a decision of a Local Planning Authority. Therefore, if you have concerns about a planning application and permission is granted, you cannot appeal that decision. Any challenge under current legislation would have to be made outside the planning system through a process called Judicial Review (JR).

The decision may be challenged by making an application for judicial review to the High Court. The time limits for bringing such challenges are very strict, and applications need to be made as soon as possible after the issue of the decision notice. So, if you think you may have grounds to challenge a decision by Judicial Review you are advised to seek professional advice as soon as possible

These notes are provided for guidance only and apply to challenges under the legislation specified. If you require further advice on making an application for Judicial review, you should consult a solicitor or other advisor or contact the Crown Office at the Royal Courts of Justice, Queens Bench Division, Strand, London, WC2 2LL (0207 947 6000). For further information on judicial review please go to <http://www.justice.gov.uk>

The Council has taken into account environmental information when making this decision. The decision is final unless it is successfully challenged in the Courts. The Council cannot amend or interpret the decision. It may be redetermined by the Council only if the decision is quashed by the Courts. However, if it is redetermined, it does not necessarily follow that the original decision will be reversed.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
