Subject: Planning application comment was submitted

The following is a comment on application '**P173957/F**' by '**Jane Bovell**'

Nature of feedback: Objecting to the application

Comment:

- 1)The priority for new dwellings in Garway is for housing that is affordable by younger local people and those with young families, not large executive homes
- 2) There are more suitable sites for development - the old village hall and the Old School - these should be considered before a green field site
- 3) The proposed buildings would appear out of character with the rest of the village, and negatively impact the existing horizons
- 4) The proposed access on the bend in the road where visibility is limited, could present an increased risk to pedestrians, cyclists and horse-riders.
