

Planning application comment was submitted on the **05 October 2023 20:22 PM**

The following is a comment on application **P222728/N** by **Christina Price**

Nature of feedback: Objecting to the application

Comment: This will cause increased traffic ,air pollution (including enhanced ammonia levels),nutrient control (phosphate and nitrate) and general control , management and governance
This is a great concern as it leaves more questions than answers
