2. Hearing

☒

You must give detailed reasons below or in a separate document why you think a hearing is necessary. The reasons are set out in

☒ the box below

A similar application for 10 units (APP/W1850/W/19/3232124) is being considered at a hearing on 27th November and similar issues would apply. These are:

- 1) The issues would need to be tested through discussion on technical evidence on: housing land supply (if disputed); highways matters and design;
- 2) The issues listed above in 1) are complex and have wider implications;
- 3) The inquiry will also need to address the weight of an emerging Neighbourhood Plan;
- 4) The application generated substantial local interest to warrant the case being considered by a hearing. This is partly due to the related issues in the emerging Neighbourhood Plan.

(a) Is there any further information relevant to the hearing which you need to tell us about?

If possible, could this appeal be conjoined with the appeal for the 10 unit scheme on 27th November 2019 ?

3. Inquiry
