Dear Mr. Brace

Appeal Ref 3244253

My wife and I regular visit Ross. One of the things we really like about Ross is that it easy and convenient for us to do the weekly grocery shop at one of the existing supermarkets, and then make other purchases in the town itself. I am sure that we are not alone in this. In the last few months, we've shopped at Lucas Motorcycles, The Cookshop, Truffles, Ross Old Books and River Music amongst other local traders, not to mention the Ross branches of several national businesses. As I say, all because they are currently so easily and conveniently accessed.

I am concerned about the idea of a supermarket at the Wolf business park. It will attract the majority of the trade from the Forest before they reach the town proper and create congestion which will deter other visitors.

Assuming that another supermarket is needed, can it not be positioned more centrally, like the existing ones?

Yours Sincerely,

Tony Phelps
