Dear Mrs Choblet,
I have reviewed your email and can confirm the works to the access would constitute a commencement of work for the purposes of implementing the planning permission.

Best regards

Adam Lewis

Hi

I would be most grateful if you can confirm receipt of this information and permission has been implemented, as per below , P170062/F

Thank you so much

Louise Westley

Hi

Thank you so much for that speedy response!

The Planning ref is

170062

Barn at

Upper House

Richards Castle

Sy84er

I will attach images of the works to access, installed electric board, plumbed water, reenforced roof trusses and laid concrete floor for your records.

Please do let me know they have arrived and alls in order.

Thanks again,

Louise

Dear Louise

Thank you for your email. I suggest you provide photographic evidence (you can use this email address if you want to send them electronically), this can then be placed on file for the avoidance of any future doubt. We can then confirm that the permission has been implemented.

Morning,

I have consent granted to convert a small barn into a dwelling.

I understand once material changes have been made the planning consent will last in perpetuity.

We have made these changes (commenced construction of access, connected electric and water and also reinforced roof timbers) please can you advise me how I confirm with you that these changes have been made and confirm further the Planning will now exist in perpetuity.

Thanks in advance

Louise Westley
