The following is a comment on application **P240422/F** by **Allen Green**

**Nature of feedback: Objecting to the application**

---

**Comment:** I strongly object to this planning application on the following grounds:

1. The location adjacent to the nationally important Lugg Meadows is wholly inappropriate.
2. Negative effect on an SSSI
3. Negative effect on endangered species - plants, animals and birds
4. Part of site is at risk of annual flooding
5. Effluent treatment and disposal problems
6. For all of the same reasons an Eastern Bypass would not be allowed over this land
