The following is a comment on application **P230231/O** by **Lesley Rosser**

Nature of feedback: Support the application

Comment: Having previously lived in Wormelow for [REDACTED] years it is positive news to see well thought out plans for an extension to the village. This build would bring welcome revenue to The Tump, garage, shops and Post Office.

Infrastructure from section 106 to consider: I would like the planners to increase the flora & fauna where feasible. I can see they are retaining existing flora which is fantastic as too many old trees are felled without consequence.
