The following is a comment on application '**P172845/F**' by '**Mary Ford**'

Nature of feedback: Support the application

Comment:

I have visited this site. It is separated from Leominster by a 100acre farm. It will be run by present day standards, computer controlled environment and British poultry welfare that leads the world. The farm is on the A44 and traffic connections to Hereford are not through Leominster.
When the average age of a British farmer is 57 such business expansion by young men should be welcomed and encouraged.
