To Whom it may concern
Re Gordon Underhill

I have known Gordon from the time that I first moved into Monkland village some eighteen years ago. Gordon has always worked hard for the village and will do anything to help the people living here in any way he can. Several years ago when I was fund raising for the new swimming pool for North Herefordshire Gordon helped by offering to fly in a small plane although he had never flown before and was scared of flying. This event raised quite a lot of money and was a different event from the normal run of raising money.

In all the years I have known Gordon I have always found him to be honest and of good character. He is well respected in the area and I consider him to be someone you can trust.
