The following is a comment on application 'P184506/O' by 'Anthony Bush'

**Nature of feedback:** Support the application

**Comment:**

Dear Ms Atkins

I fully support this application for the following reasons:-

1. It is a logical development with the previous approved application on this site.
2. It will create a community with the Garbrook site.
3. The development is supported by the parish councillor representing Garbrook.
4. Access is good, off the main road.
5. It links well with the bus service serving Hereford and Ledbury.
6. It will bring young families into Tarrington.
7. It provides affordable units.
8. There is no flooding issue.
9. It gives an opportunity to extend the 30mph speed limit through the village.
10. There is an opportunity for an upgrade of the footpath into the main village paid for by the developer.
11. The improved access onto the A438 will benefit the Mill Pond business..
12. The Tarrington Draft Neighbourhood Plan published on the website last year supported this application.
13. Overall I believe the enhanced development will benefit the community as a whole.

Regards

Anthony Bush
