Subject: Planning application comment was submitted

The following is a supporting comment on application [P151698/F](#) by Pyons Group Parish Council Pyons Group Parish Council:

"

Pyons Group Parish Council supports the planning application subject to there being safe access and egress for deliveries, setting up for events and disabled access to the adjoining village hall. There also needs to be a raised pavement built adjoining the A4110, which is sufficiently wide to accommodate a Pelican Crossing, to connect the development and parish hall safely to the village and playing field opposite. The Pelican Crossing can be funded as a highways improvement under the Section 106 agreement, and is a long standing request from the parish council. R Hewitt, Clerk.
