Subject: 221595 - Planning application comment was submitted

The following is a comment on application **P221595/F** by 'Wynne Harries'

Nature of feedback: support_the_application

Comment:

Cradley and Storrige Parish Council supports this application for change of use to equine, but in no way wishes to endorse the inclusion of a sketch plan in the Design and Access paper reflecting the refused planning application P212709 which needs to proceed to enforcement if not replaced with a new planning application. Also, please note that the name of the property is incorrect in this application – it is Refield. not Reafields. This is important, as there is a property called Reafields on the other side of the valley, and confusion for all concerned needs to be avoided (the Herefordshire property map used for planning applications needs amending as well).
Cllr W Harries, Lead for Planning Working Group
