Dear Mr Hopkins,

Sorry for the delay in responding, I can confirm that the requested extension is acceptable. However please note that should the application be reported to planning committee for determination the Parish Council will not have the opportunity to speak at the meeting, due the response not been received within the statutory consultation period.

Regards,

Charlotte Atkins, Senior Planning Officer

Dear Mr Hopkins

This application is being dealt with by Charlotte Atkins. Unfortunately Charlotte is away this week. Given the 8-week date doesn't expire until 30th Nov I don't imagine there would be too many problems with a response date of 13th November. I will leave it with Charlotte to confirm with you upon her return.

Kind regards
Ed Thomas

For the attention of Mr E Thomas

The above application for Redlands HR1 4BE has just arrived in the post at lunch time. The Bartestree with Lugwardine Planning Committee are meeting tomorrow night and it is too late to go on the agenda.

The next Planning Meeting is on Tuesday 13th November is it therefore possible to grant an extension so I can submit it on the evening of the 13th November or will I need to call an emergency meeting prior to the return date of the 7th November?

Regards

Mike Hopkins
