Subject: Re: S132049 - Extension to Canon Pyon Academy

Kelly,

Many thanks. I have no problem with this application, as it is both good for the School and the community.

Have a good weekend.

A.

Dear Councillor Blackshaw,

I have received an application for the extension of Canon Pyon Primary school. The extension is intended to replace the mobile classroom that is in a poor state of repair with permanent purpose built accommodation. The proposed extension is considered by officers to be a sympathetic addition that would comply with the relevant policies of the UDP and NPPF and as such I would, at this stage, be supportive of this application.

The consultation period does not expire until the 9th October , but assuming there are no objections or concerns raised it would be my intention to recommend approval of this application under the Councils Scheme of delegation. If you have any concerns please let me know before the 9th October otherwise I shall proceed to determine this application.

Please note that if there are objections it will need to be referred to Planning Committee as HC have an interest in the land or buildings.

Regards

Kelly
