Subject: 211970 - Planning application comment was submitted

The following is a comment on application **P211970/F** by '**Marden Parish Council**'

Nature of feedback: objecting_to_the_application

Comment:

At its meeting on 14.9.21, Marden Parish Council resolved to object to 211970 and comment as follows. The application is not in keeping with the philosophy of a local recreation ground for parish community use. The impact of the design and appearance is not appropriate for a local recreation ground. Concern is raised that the fixed wire fencing could be a hazard from being climbed and would also be a danger to wildlife. To the Parish Council's knowledge, the need for such fencing has not been raised or supported by local residents.
