Subject: Planning Application 203904 - Northgate Farm

Dear Carl

Happy New Year to you.

Apologies, in the lead up to the busy Christmas period, I have forgotten to send you the Parish Council comments on the above planning application.

The Council agreed to support the application but asked if a condition could be put in to ask the applicant to ensure the verges on the local U roads leading to and from the Farm be kept tidy and not messed up by the extra heavy vehicular traffic.

Many thanks.

Kind regards

Kate

Kate Hughes
