Dear Hazel,

Carl Brace has picked up this case whilst Steffan Thomas is away.

I acknowledge the extension of time and regard the agreement to meet on site as a positive development.

In this context, I am happy to provide an extension of time until 14 June and will get this formalised with the applicant in due course.

The website will be updated accordingly so as to enable comments to be received upto 14 June.

Kind regards

Dear Mr Thomas

At Wednesday meeting of Burghill Parish Council the application for an agricultural machinery building at Burlton Court Farm (application 160978) was discussed. The applicant and neighbours to the site were present and it was agreed that a further meeting on site would be beneficial where PC members and neighbours can discuss the proposal and concerns in more detail with the applicant and his agent.

I have therefore been asked to request an extension to the deadline for comments to this application until after the next PC meeting so the outcome of the site meeting can be discussed and a response properly considered. An extension until 14th June would be appreciated to facilitate this further public consultation.

If possible could the planning application webpage also be updated with a revised date for close of comments, if this request is approved.

I look forward to hearing from you.

regards

Hazel Philpotts
