THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice in pursuance of the provisions of the above Acts that PLANNING PERMISSION has been GRANTED for the development described above in accordance with the application and plans submitted to the authority subject to the following conditions:

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: Required to be imposed by Section 91 of the Town and Country Planning Act 1990.

- 2 The development shall be carried out strictly in accordance with the approved plans (drawing nos. 18-00062-C45-OR01, 18-00062-C44-OR01, 18-00062-P40-OR01, 18-00062-P41-OR01, 18-00062-P42-XX01 and 18-00062-P43-XX01), except where otherwise stipulated by conditions attached to this permission.

Reason: To ensure adherence to the approved plans in the interests of a satisfactory form of development and to comply with Policy DR1 of the Herefordshire Unitary Development Plan.

- 3 Within six months of any of the photovoltaic solar panels hereby permitted becoming redundant, inoperative or permanently unused, those panels and all associated infrastructure shall be removed and re-used, recycled, the materials recovered, or be finally and safely disposed of to an appropriate licensed waste facility, in that order of preference, unless otherwise agreed in writing in advance by the local planning authority.

Reason: To ensure a satisfactory form of development, avoid any eyesore from redundant plant, prevent pollution, and safeguard the environment when the materials reach their end of life, in accordance with Policies S1, S2, DR1 and CF4 of the Herefordshire Unitary Development Plan.

Informative:

- 1 The decision to grant planning permission has been taken having regard to the policies and proposals in the Herefordshire Unitary Development Plan 2007 set out below, and to all relevant material considerations including Supplementary Planning Guidance:

DR1 - Design

H18 - Alterations and Extensions

HBA4 - Alterations and Extensions

In reaching this decision the local planning authority was mindful of the particular circumstances of the case, namely the extent to which the development complied with policy and the way in which local issues of amenity and highway safety were addressed.

YOUR ATTENTION IS DRAWN TO THE NOTES BELOW

Notes

This permission refers only to that required under the Town and Country Planning Acts and does not include any consent or approval under any other enactment, byelaw, order or regulation. In particular consent may be required under the Building Regulations.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within 6 months of the date of this notice, using a form which you can get from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
