The following is a comment on application **P242077/F** by **Gordon Young**

**Nature of feedback: Submitting a general comment**

---

**Comment:** During periods of heavy rain water runs off the railway embankment and through the rear gardens of [REDACTED] Beaufort Avenue. It then runs to a soakaway to the rear of [REDACTED] Beaufort Avenue, this in turn runs to a soakaway running South to North in the back field. Care needs to be taken when constructing the proposed fence.
