

[illegible]

A hand-drawn map of the study area, overlaid with a grid. The map shows the River Ouse flowing from the top left towards the bottom right. The A166 road runs horizontally across the middle. Laurel Farm is located in the bottom left corner, near the river. Barvel Farm is located in the center, south of the A166 road. Heathfield is located in the center, east of Barvel Farm, and is enclosed in a thick black rectangle. A septic tank is located just north of Heathfield, and two spreaders are located further north, near the top of the map. The map also shows various fields and boundaries, some indicated by dashed lines.
