

Planning application comment was submitted on the **24 April 2024 12:51 PM**

The following is a comment on application **P240788/F** by **Paul Morgan**

**Nature of feedback: Support the application**

---

**Comment:** An excellent project which will make riverside access so much safer and more enjoyable for all users, particularly those people with mobility issues. The new platforms will also blend in seamlessly with the existing platforms. The proposed new platforms will benefit not only the people of Herefordshire but also the many visitors who bring much needed revenue to our county.
