Planning Application 240788.

17 April 2024

Ref: Town and Country Planning (Development Management Procedure) (England) Order 2015
NOTICE UNDER ARTICLE 13 OF APPLICATION FOR PLANNING PERMISSION

Refusal of permission and objection to application 240788

Dear Planners.

In respect of the reference above (dated 13/04/2024) I can report that the Trustees of Hereford Sea Cadet Unit Charity (charity number 520955) (freeholders of the land) do not consent or give any permission for any structure or construction to take place on the charity land by the organisation called Hereford And District Angling Association (HADAA) with respect to the application number 240788 or any other application they may submit. It is also to be noted that the Charity objects to proposal 240788 based on the inadequate design of platforms which has been shown on the river banks to introduce severe erosion and destabilisation of the bank and a large loss of wildlife habitat over 100s of meters of bank on both sides of the river. The application proposed will increase this river bank erosion and loss of habitat by, approximately, another 300m and impact the SSSI and SAC of the region by at least 1.5Km of riverbank.
