23/5/17.

Dear Sir/Madam.

I know we are a little late, but would like to voice our concern's regarding the planning application for 4 houses, adjacent to my property (The Chalet) and feel that amount is far too many, the one will come right across, our bedroom window to within 2ft, which we think is a great invasion of our privacy, as they are all large homes there is also more noise to consider

The entrance to these house's is also on a very bad bend, there is already a lot of traffic on this road, from the 'common'.

We have lived here over 35 yrs. and never had to complain before but this will be quite a blow to our tranquillity.

Thanks for your time in reading this.

Yours faithfully.
