Appeal Ref: APP/W1850/W/15/3051153

Dear Sir

I wish to further endorse my huge reservations for a further 100 houses to be built by adding the following observations.

In this year alone we have seen the approval of 52 houses in lower Bartestree, a further 40 + approved on the main A438 in Bartestree and 6 properties already built in Longworth Lane, not to mention I believe another 40 or so houses approved in the adjoining village of Lugwardine.

And now with horror we, the residents of Bartestree are being asked to accept another 100 houses.

1. The village school cannot cope with an increase of numbers. Their building is too small and there is very little room for expansion.
2. The Crossroads at A438/Longworth Lane is dangerous now - I dread to think with the increase of traffic what will happen.
3. Sewerage & street lighting is totally inadequate.
4. The field area/orchard a wonderful habitat for many creatures would be destroyed.
5. The village facilities are limited to one small shop and hairdressers - no doctors /dental surgery, no Post Office, no Pub, no garage, limited public transport.
6. Longworth Lane is narrow and unsuitable for heavy traffic.

Whilst I accept that more housing is needed, I feel strongly that our village of Bartestree have had their fair share of applications approved. Any more will erode away the character and scenery, natural beauty of the area.

I hope that common sense will prevail when the inquiry takes place and that the planning application will be rejected once and for all.

Yours faithfully

Mrs Mary Robins
