The Lugg Flats

Hello, I'm sorry to be so late doing this. I object strongly to the proposal to build 350 home estate . Surely all concerned must realise this is a green field site on a flood plain. There's such a lot of biodiversity with flora and fauna it'll be criminal to affect this in my opinion. If an eastern bypass were to happen, an embankment over part of the Lugg flats might be an option, so this could be scuppered.

Hereford has enough housing being built, please stop this application.
