**Nature of feedback:** Submitting a general comment

**Comment:**

There are a number of concerns I wish to raise. 1. The "application" asks if existing hedges or trees need to be removed. The applicant has stated NO. However, serious removal of the above has taken place Mon. 14th September. 2. The extension/s are to the maximum size allowed and the rear "gabled" elevation overlooks gardens of number 1 and 2 Pound Close. There is no proposal to soften the impact.
