The following is a comment on application **P250532/PSI** by **Stacey Hunt**

**Nature of feedback: Support the application**

**Comment:** I work at Fairfield High School and having undertaken travel training with some of our students on 27/03/25 with a lady from the council I can see the immediate need for a pedestrian crossing. The speed at which vehicles travel along the road through Peterchurch is eye opening. The fact that there is a primary school along this road should speak volumes in supporting the application.
