Subject: 152196 - Planning application

Dear Mrs Farr I write regarding the above,

I am not satisfied the submitted location plan with red and blue lines clearly shows the information required to assess the application.

Please can a plan be provided clearly showing –

- All your land and buildings edged blue
- The application site (buildings and associated land) edged red
- Be appropriately labelled at the base level and not feature crossed out text etc

This can be provided by return email,

Regards
