Good afternoon Chloe,

Bromyard Town Council met last night to consider application P211506/RM.

Councillors resolved to object to this application for the following reasons:-

1. There is no information on whether the proposed access is approved, as stated by the applicant.
2. The proposed access would conflict with the proposed access to the Hardwick Bank strategic housing site, which would potentially jeopardise the strategic site, and is unacceptable in highway safety terms.
3. Concerned there is only one access to and from the site is proposed which raises issues in terms of access for emergency services.
4. Concerned at the sparsity of information accompanying the application e.g. there is no ecological survey, no landscape report, no contamination report etc.

Kind regards,

Jennifer
