28th October 2015

Appeal Reference No APP/W1850/W15/3133368

App. Reference 151122 Land at Lower Meadow Farm, Peterchurch, Herefordshire

The Parish Council further considered this application at its October 20th meeting and resolved to add the following

Many of the apparent accusations which have been made by the appellant are, we are lead to believe unsubstantiated, having checked with the local fire service to see if they have been called to any instances of arson, to which a negative response was received, also we are advised that local family rental accommodation has been and will continue to be available within walking distance of the proposed site.

The Parish Council and local residents therefore wish to support Herefordshire Councils decision to refuse the application

Yours Sincerely

Malcolm Walker
