The following is a comment on application **P240422/F** by **Kathryn Thomas**

Nature of feedback: Objecting to the application

Comment: Hereford is already struggling - our schools, roads, doctors, dentists, lack of activities god the children, etc. The proposed area is in a known flood plain and living in Hampton Bishop we already have an issue with floods from the Lugg river.

I also believe this development breaches Hereford Core Strategy SS6,SS7,LD1,LD2, LD3 and NPPF 116,117,120, 180-189,191,192,194.

Infrastructure from section 106 to consider: The council would be mad to approve such an application but I guess it all depends on the size of the brown envelope!!
