

Planning application comment was submitted on the **07 December 2024 10:24 AM**

The following is a comment on application **P222138/O** by **Sharon Tudor**

Nature of feedback: Objecting to the application

Comment: As with previous objections my comments are :

Loss of countryside, open space ,and wildlife: this area is much used by walkers , dog walkers, cyclists of all ages it is a peaceful piece of countryside on your doorstep. People would have to use their cars to access an area like this therefore bad for the environment.

Lack of infrastructure.

Cannot get appointments for healthcare now , doctors, dentists and hospital .

Traffic congestion : recently the traffic was queued back past Whitecross school going towards the city centre.

Flooding : recently houses have been flooded where they never have before due to run off from the new site near Aylesbrook and on the Canon Pyon road and flooding outside the properties next to the proposed site in Three Elms road.

There is already a large new development nearby so do not destroy what little accessible countryside we have left.

I have no objection to the care home, where that is planned has no detrimental effect on the countryside.
