The following is a comment on application **P230893/F** by **David Morris**

**Nature of feedback: Objecting to the application**

---

**Comment:** I object to the planning application for two reasons.

1. To the bollards next to the A44, they will restrict my access to Oak View and land and land at the back of my property and yard and drive to the right of Oak View.

2. To the blocked drain to be cleared before groundworks starts on the sculpture site.

If there is anything else you want to know about the entrance to Oak View, please contact Roger Phillips or Mr Andy Byng from the Highways.
