Hi Carl,

I've not had any response – but a quick look through the CIVICA files looks as though the *Briefing Note from Ecology Solutions dated June 2018* does cover the type of response I was looking for - maybe I overlooked this when I posted my comment back in May. If this is the case then it looks as though the ecology aspects are covered.

Regards,

Camilla

Dear both

I'm following up with consultees on the above as the application is directed to Planning Committee in September.

Have you had the clarification you required or not. If not I will follow up with the agent
