Subject: Re: Enforcement Appeals 3350934 & 3350935 - Madley Caravan Park

Dear Mark,

Can you please provide a response to our email of Wednesday this week. It is clear that the Council do not want to engage with us in any constructive manner, as it seems the Council will respond on minor points but fail to respond on anything relating to the substance of the case.

As you are fully aware, Statements of Case are due next week and it would assist if the appellant was clear about the case they were needing to respond to.

Kind regards,

Eleanor
