Nature of feedback: Support the application

Comment: This will be a welcome addition to the town .

Ledbury lacks in various areas when it comes to buying goods at reasonable prices and more selection often pushing shoppers to other towns therefore taking away from Ledbury .

It would be wonderful to have this store in town .

Infrastructure from section 106 to consider: With Ledbury growing like it is the infrastructure is simply not there , we need businesses like this to boost the potential of this town .
