Date of Application: 19 June 2024

Application No: 241561

Grid Ref:367974:223200

Proposed development:

SITE: Land at Barrell Lane SO 68024 23341, Barrell Lane, Aston Ingham, Herefordshire, HR9 7LP

DESCRIPTION: Application for prior notification for a proposed 3m wide road (hardcore base and capped with road planings).

Determination under Part 6 or 7 of Schedule 2 of the General Permitted Development Order as to whether prior approval of the local planning authority will be required to the siting, design and external appearance of a building, the siting and means of construction of a private way, the siting of the excavation or deposit of waste material or the siting and appearance of a fish tank or cage.

THE COUNTY OF HEREFORDSHIRE DISTRICT COUNCIL hereby gives notice that PRIOR APPROVAL IS NOT REQUIRED subject to the following conditions imposed by the Town and Country Planning (General Permitted Development) (England) Order 2015

1. The development shall be carried out within 5 years beginning with the date of this approval.
2. The development hereby approved shall be carried out in accordance with the details submitted with the application.
3. Where the development relates to the erection, extension or alteration of a building, the developer shall notify the local planning authority, in writing and within 7 days, of the date on which the development was substantially completed.
4. Where the development consists of works for the erection, significant extension or significant alteration of a building and
 - a. the use of the building or extension for the purposes of agriculture within the unit permanently ceases within 10 years from the date on which the development was substantially completed, and
 - b. planning permission has not been granted authorising development for purposes other than agriculture within 3 years of the permanent cessation of its agricultural use, and there is no outstanding appeal,

then, unless the local planning authority has otherwise agreed in writing the building or extension must be removed and the land must, so far as practicable, be restored to its former condition or such condition as may have been agreed in writing with the local planning authority.

Informatives

1. The development shall be carried out in accordance with drawing numbers Location Plan, 13 June 2024; Agricultural Statement Validated 19 June 2024; the application form.
2. The applicant is advised that it in accordance with Regulation 75 of the Conservation of Habitats and Species Regulations 2017, as amended by the Conservation of Habitats and Species (Amendment) (EU Exit) Regulations 2019, it is a condition of any planning permission granted by a General Development Order that is likely to have a significant effect on a European site (either alone or in combination with other plans or projects), that works should not commence until the developer has received written notification of the approval from the local planning authority under Regulation 77. The applicant should therefore be satisfied before commencing works that the development will not have any likely effect on any European Site. In addition, applicants are advised that they can, if they choose to, apply to Natural England as the appropriate Nature Conservation body, under Regulation 76 of Regulations (as amended) prior to making any necessary application to the Local Planning Authority under Regulation 75.
