Subject: RE: Application reference P241509/V - December House, Copse Cross Street, Ross on Wye

Importance: High

Simon,

Further to your email of Tuesday, we have sought clarification from the applicant, and now wish to submit a revised Site Location Plan, which shows an amended red demise line.

Please can you upload this to the online application to replace the originally-submitted version.

We trust that the attached is acceptable – if you have any further queries, please let us know.

We await further news on the application in due course.

Regards,

Matt Hobby
